# Welcome Letter from MUNUC

Dear Delegates and Faculty Advisors,

It is my great pleasure and honor to invite you to the 6th session of MUNUC-SFLS as the Secretary General representing the Model United Nations of the University of Chicago (MUNUC). Last year, over 400 high schoolers from all across China gathered in the classrooms of SFLS Affiliated with SISU to address some of the world's most pressing issues, and continue their journeys into developing into the world's future leaders with MUNUC. I am beyond excited to bring MUNUC back to this stage along with our partners SFLS Affiliated to SISU and WELAND International this December.

Both at our home conference and abroad, MUNUC believes in the value of pedagogy, a term we believe to be represented by shared learning, socially-conscious thinking, and people-forward problem solving. We aim to bring these values to our delegates through our hand-picked committees and directors who shall support our delegates hone their public speaking, negotiation, and critical thinking skills throughout their time at MUNUC-SFLS.

As an extension to the collective effort of over 300 college students from the University of Chicago, we pride ourselves on the detailed scope of our myriad simulations at MUNUC-SFLS. This year, we will host committees with topics spanning across geographical regions and time periods, covering important world developments from ocean conservation to artificial intelligence. Furthermore, unlike previous years, MUNUC shall bring one of MUNUC Chicago's iconic continuous crisis committees to Shanghai, inviting delegates to challenge themselves to the fast-paced, creative, and exciting practice of reacting to live crises throughout the conference.

Staying committed to our goal as a learning conference, each of our committees are designed bring unique learning for delegates as they research, find solutions, and debate global challenges with their peers. Throughout the conference, our experienced MUNUC directors are also committed to provide constructive feedback to advance each delegate's growth and learning as students and world citizens.

In our partnership with SFLS Affiliated to SISU and WELAND International over the past years, we have consistently been an exceptional and momentous experience for students from across the world. We welcome delegates with all levels of experience, whether they are first-timers experimenting with the world of MUN, or seasoned MUNers bringing with them knowledge that they have learned in other conferences. We are so excited to welcome you to Shanghai this December, and if you have any questions, concerns, or feedback, please don't hesitate to reach out to me or any one of our directors.

Best,

Cissy Choy  
Secretary-General for MUNUC-SFLS Conference 2024
