letter from the president

亲爱的各位代表，
不辞辛劳的指导教师们，
各位尊敬的领导、嘉宾和媒体朋友们，
主席团、志愿者和所有的会务同事们：

大家好！

首先，请允许我代表大会组委会、北京青之桥公益基金会和蔚蓝国际，欢迎出席第十八届全球青年模拟联合国大会的各位领导、嘉宾，以及各位代表、指导教师和合作伙伴们！欢迎大家参加每年一度的“模联盛会”——WEMUN EXPO！并向辛苦付出的每一位主席团成员、志愿者和 weteam 的成员们表示诚挚的感谢！

从去年 9 月到今年 8 月，蔚蓝国际先后与上海外国语大学附属外国语学校、北京海嘉双语学校、上海中学国际部、深圳外国语学校、重庆市第八中学校等国内知名中学联合举办了芝加哥大学模联、加州大学伯克利分校模联、牛津模联、耶鲁大学模联等世界顶尖高校的中国模联大会，超过 300 所国内外大中小学的 2000 人次参与了上述活动；我们还有幸与中国宋庆龄青少年科技文化交流中心将一年一度的寒假会议升级为“中国国际青少年模拟联合国大会（China Youth International Model United Nations Conference）”。面向世界，我们带领超过 500 人次的中国青年在美国纽约联合国总部、瑞士日内瓦联合国办事处、耶鲁大学、芝加哥大学、牛津大学、荷兰海牙和新加坡，参与各类联合国系统与模拟联合国国际会议，与超过 70 个国家和地区的同龄人交流切磋。

北京青之桥公益基金会和蔚蓝国际，还在中联部中国民间组织国际交流促进会、北京市外办和中非民间商会的鼓励、支持和联系下，积极参与落实“全球发展倡议”和社会组织国际交往能力提升系列活动，与北京市属高校等建立了联系与合作，并正在积极申请联合国经济与社会理事会特别咨商地位，力求从一点一滴做起，脚踏实地，培养更多的中国国际组织人才和国际化人才，从模拟联合国走向联合国、国际组织与非政府组织，提升中国青年与青少年参与全球治理的意识与能力。

我们还与联合国大学、联合国协会世界联合会建立了更为紧密的合作关系，与新加坡南洋理工大学、香港中文大学等全球知名高校、院系和科研院所开始探索新的国际人才培养模式与道路，促进内港共融，并期待将更多优质的国际教育资源与交流机会对接给中国的高校与中学。

通过过去一年的工作，我们发现，即使这是一个我们经常提及的“内卷”时代，即使国际局势动荡不安，即使国内发展经历考验，年轻人们关注世界、向往世界、参与世界的热情并未消退。但与此同时，人工智能与算法时代，让我们每一个人都不自觉地身处属于自己的“信息茧房”，我们被动收到的“推送”、被算法推荐的消息、看似丰富多彩的“朋友圈”和聒噪浮夸的“短视频”，在不同程度上蚕食着大家的耐心、沟通力、创造力、

想象力、批判意识和冒险精神，随之而来的，或许是更多的焦虑或不安，或许是由于缺乏自信而导致的自我怀疑，亦或是缺少真的交流而带来的封闭与冷漠，也有可能是刷到别人看起来“光鲜亮丽”的朋友圈而给自己带来的浮躁或盲从，总之，让这个社会似乎都缺乏了一种“松弛感”——过去，交通与通信不发达的时代，物理距离隔绝了世界；而现在，似乎是算法隔绝了人心。

于是，在当下，我更加认为模联活动将是一个教会或引导大家，如何破除信息茧房，让我们看到一个更接近于真实的世界，进而认清一个更真正的自己的平台和契机。这已经不是一个信息匮乏的时代，相反，是一个信息泛滥的时代——模联，可以让在座的各位代表和身边的同学、朋友，以及老师和家长们懂得如何获取相对正确、相对真实、相对客观的信息，更重要地，如何甄别那些夸张的、错位的、为了博取眼球或引导舆论但却夹带着偏见的新闻或消息。进一步地，模联让人与人之间，让同学们之间的沟通成为了一种可能与常态，模联先教会大家如何表达自己、展示自己——这是演讲；再告诉大家如何有技巧地去吵架、打败别人——这是磋商和辩论；进一步地，让大家明白倾听与理解对方的重要性——这是妥协、合作与领导力，吵架不是一件坏事，但我们也不能只为了吵架，所谓“不打不相识”，而如果在吵架之后，还能激发大家对一些事情的责任感、同理心，进而让大家产生内驱力，找到自己喜欢的事情，甚至找到自己的目标与价值，那就是现阶段，我觉得模联能够给大家带来的最大收获。

20 年前，蔚蓝国际由北京大学国际关系学院的校友创立，是一家致力于国际教育及民间外交的社会企业。北大在我本科硕士的青春岁月培育了我，让我知道“眼底未名水，胸中黄河月”，北大国关让我理解“爱国关天下”——诚然，每一个人虽不都来自于或去往这里，但北大的精神与理念，与模联给大家带来启迪，是一脉相承的。

最后，再次欢迎并感谢出席 2025 年第十八届全球青年模拟联合国大会的所有人！感谢每一位指导教师和每一位参会代表，感谢中国宋庆龄青少年科技文化交流中心一直以来的支持与信任！祝愿每一个人在北京度过愉快的四天。祝愿每一个人健康、平安、开心！

北京欢迎你！

letter from the secretariat

Dear Delegates, Directors, Assistant Directors, Faculty Advisors, Volunteers and Guests,

Welcome to WEMUN EXPO 2025!

It is with great pleasure and anticipation that we extend our heartfelt welcome to each of you joining us for this year's WEMUN EXPO, themed "We, the answers". In a world increasingly shaped by collective action, this theme emphasizes the power of unity and collaboration in finding solutions to the most pressing global challenges. In addressing the complex issues of our time, it is clear that no single voice or perspective holds all the answers. Together, as one, we have the power to create meaningful change and shape the future.

At WEMUN EXPO 2025, we invite you to explore not only the challenges we face globally but also the answers that emerge when we combine our diverse ideas, skills, and backgrounds. As delegates, you will engage in thought-provoking debates, complex negotiations, and creative problem-solving across a wide range of committees and topics. You will work alongside peers from around the world, each bringing their own unique perspective to the table, creating a rich, collaborative environment where the best solutions emerge from collective effort. Throughout the conference, we encourage you to embody the spirit of cooperation and mutual respect.

"WE, the answers" is a call to action for all of us to listen, learn, and contribute towards the global dialogue. It is only when we come together—when we acknowledge our shared humanity—that we can tackle the challenges that lie ahead. We are excited to see how each of you will contribute to this important conversation. Your ideas, passion, and leadership will not only shape the outcomes of this conference but also inspire a generation of global citizens dedicated to building a better world.

Our committees are designed to challenge and inspire, providing opportunities for each of you—whether a seasoned delegate who knows the ins and outs of parliamentary procedure or a first-time participant taking your first steps into the world of MUN—to dig deep, question assumptions, and ultimately find the answers you've been seeking about yourself, about global affairs, and about your place in shaping a better world.

This is not just a conference where you "represent a country" or "debate a topic" —it's a journey of self-discovery, where every speech, every negotiation, and every conversation with a peer from across the globe will push you to confront the questions that matter most: What do I truly care about? How can I turn my passions into action? What does it mean to be a responsible global citizen? And by the end of the week, you will leave with more than just a draft resolution or a certificate—you will leave with the clarity of knowing exactly what "the answers" is.

We extend our sincere gratitude for your participation and support in making WEMUN EXPO 2025 a resounding success. We look forward to embarking on this journey of discovery, dialogue, and growth with each of you.

Once again, welcome to WEMUN EXPO 2025!!!

宋庆龄同志是我国教育事业的先驱。她创建了中国福利会，并在上海创办了新中国第一所妇幼保健院、第一本儿童刊物、第一座少年宫、第一座儿童剧院。宋庆龄指出：“有些事是可以等待的，但是少年儿童的培养是不可以等待的。”“我们要把最宝贵的东西给予儿童。”今天，宋庆龄的教育理论和实践，已成为少年儿童教育事业极为珍贵的精神财富。

中国宋庆龄青少年科技文化交流中心是中国宋庆龄基金会直属事业单位，内设体验中心、艺术中心、幼教中心、演艺中心、交流中心五个业务部门，紧紧围绕培养青少年科技创新，弘扬中华优秀传统文化，搭建世界青少年交流互鉴平台的三项职能，积极开展国内、国际青少年科技文化交流活动。

The China Soong Ching Ling Science & Culture Center for Young People (hereinafter referred to as "the Center") is a national experimental and demonstrating platform to carry forward the spirit of Soong Ching Ling and actively guide and serve the growth of the young. It is an open and practical platform for youth from both China and other countries to interact and cooperate with each other and a good venue to showcase their talents.

Comrade Soong Ching Ling was a pioneer in China's educational cause. She established the China Welfare Institute and founded the first maternity and child care hospital in Shanghai, as well as the first children's publication, the first children's palace and the first children's theater. According to Soong Ching Ling, 'Some things can be waited, but not the cultivation of children.' 'We are dedicated to giving the most valuable things to children.' Today, Soong Ching Ling's educational philosophy and practice have become precious spiritual wealth to children's education.

As a public institution directly under the China Soong Ching Ling Foundation, the Center has five departments: Experience Center, Art Center, Preschool Education Center, Performance Center, and Exchange Center. The Center actively carries out scientific, technological and cultural exchanges among young people at home and abroad by focusing on the three functions, namely fostering technological innovation, carrying forward the fine traditional Chinese culture and building a platform for exchanges and mutual learning among young people all around the world.

The Center will continue to inherit and carry forward the spirit of Ms. Soong Ching Ling who had been concerned about the physical and mental development of children for decades. With the goal of innovating off-campus education and spreading excellent human culture, the Center will constantly promote emotional and spiritual exchanges among young people worldwide in order to strive for the prosperity and development of world cultures.

conference policy

1. ALCOHOL POLICY

Consumption and/or possession of alcohol will not be tolerated under any circumstances. If a delegate is found to possess, consume and/or to have possessed or consumed alcohol, the participant's school will be immediately expelled from the conference and hotel; criminal complaints may be pursued against the delegate in question.

2. CONTROLLED SUBSTANCES POLICY

Controlled substances are likewise illegal and intolerable. The school of any participant found to unlawfully possess or use, or to have unlawfully possessed or used any controlled substance will be immediately expelled from the conference and hotel; criminal complaints may be pursued against the participant in question.

3. SMOKING POLICY

Cigarette smoking is NOT permitted in the Conference Venue and Hotel.

4. CONFERENCE VENUE COURTESY

Participants will be held responsible for vandalism or any other damage of their fault that occurs. Rowdiness in the hallways, excessive noise, roughhousing, throwing objects, accessing prohibited areas of the hotel premises, and/or other unruly behavior will not be tolerated. False fire alarms will be dealt with severely. The conference venue reserves the right to eject delegates for these or other disruptions to the safety and well-being of other guests.

5. FACULTY ADVISOR RESPONSIBILITY

Faculty Advisors must cooperate with conference staff and the hotel and assist in achieving delegate compliance with conference rules and policies.

6. VALUABLES

If delegates must bring valuables, they are encouraged to place them in a hotel safe deposit box. WEMUN EXPO 2025 and the Conference Venue are not responsible for belongings left in guest rooms or in meeting rooms.

7. DISPLAYS IN WINDOWS

The Conference Venue strictly prohibits the exhibition of any visible display in windows. Continued exhibition of any such display after an initial warning may be grounds for expulsion from the venue and/or conference.

8. EXPULSION FROM THE CONFERENCE

The Secretary-General reserves the right to expel any delegate, delegation, school, or group thereof from the conference at any time for violating or failing to comply with conference regulations, or for any other reason. WEMUN EXPO 2025 as a zero-tolerance policy concerning alcohol and controlled substance, and violations of the alcohol and/or controlled substance policies will always be met with expulsion. Expulsions take effect immediately at the time they are issued. All conference registration materials (e.g. conference badges and placards) must be surrendered to conference staff upon expulsion. There are no refunds of conference fees for delegations asked to leave the conference.

9. DRESS CODE AND CONFERENCE BADGES

The safety of conference participants is of paramount importance at WEMUN EXPO 2025. To maintain and enhance delegate security, the conference requires all conference participants to visibly wear conference badges at all times during the conference; all delegates are required to adhere to the conference dress code. Participants who fail to adhere to these rules may be excluded from conference proceedings and events. Conference staff reserves the right to check the conference badges of any participant at any time for any reason whatsoever.

conference policy

10. PHOTOGRAPHY AND VIDEO

Throughout the conference, conference staff and representatives may take photographs, videos, and conduct interviews with conference participants, both during and in between committee sessions, which may be used for promotional, educational, or other purposes by WEMUN EXPO 2025. By attending the conference and signing the liability release form, participants consent to be photographed, videotaped, and/or interviewed, and authorize the conference to use those photographs, videos, and/or interviews in any manner WEMUN EXPO 2025 chooses.

11. USE OF ELECTRONIC DEVICES DURING THE CONFERENCE

In committees, electronic devices are permitted only during document writing. The rules regarding the use of electronic devices in each committee may be adjusted dynamically by the respective committee chairs as needed.

12. PROHIBITION OF HARASSMENT AND DISCRIMINATION

Delegates should respect the positions and cultural differences of all delegations during the conference. Any form of harassment, discrimination, or discriminatory behavior—including language, actions, or attitudes such as insults, intimidation, demeaning remarks, or discrimination based on race, gender, religion, nationality, age, sexual orientation, or disability—is strictly prohibited.

13. ADHERENCE TO ACADEMIC INTEGRITY

In preparing for and participating in the conference, delegates are prohibited from plagiarizing or copying the intellectual property of others. All authoritative sources referenced within documents, including Position Papers and Draft Resolutions, must be cited appropriately.

14. PROHIBITION ON THE USE OF GENERATIVE AI FOR DOCUMENT PRODUCTION

The Organizing Committee strictly prohibits the use of generative artificial intelligence (e.g., ChatGPT, Gemini, Claude, Doubao, Deepseek or similar tools) in the creation of any materials submitted to the Organizing Committee or the Dais, including but not limited to position papers, draft resolutions, and speeches. Any delegate found to have used generative AI for such purposes may face serious consequences, including potential disqualification from awards. Delegates are expected to submit original work that reflects their own research, analysis, and writing.

15. USE OF LANGUAGE

Delegates must communicate and interact throughout the conference using the working language(s) designated by the organizing committee and Dais (e.g., Chinese, English). This includes, but is not limited to, speeches on the General Speakers' List, statements during the Moderated Caucus, discussions during the Unmoderated Caucus, and any related documents produced during the conference.

16. AWARDS

WEMUN EXPO 2025 values the learning experience of a Model United Nations conference above all else. WEMUN EXPO 2025 prefers not to emphasize awards during the conference, as we believe that participation and success should not be judged solely by the recipients of the awards. With that being said, we do issue two types of awards at the conference.

Delegate Awards in most committees as follows: one “Best Delegate,” one “Best Position Paper,” and several “Outstanding Delegate” and “Honorable Mention” recipients.

Delegate Awards in MUNUC sub-conference will be “Outstanding Delegate,” “Honorable Mention,” and “Verbal Commendation.”

Delegate evaluations will be based on their performance both in and out of the committee, as decided by WEMUN EXPO 2025 Directors and the Secretary-General. Awards are given out on the basis of the following criteria:

conference policy

- Adherence to country/position stands;
- Teamwork and leadership;
- Efforts towards reaching consensus in committees;
- Basic manners and general conduct;
- Understanding and use of the rules of procedures;
- Public speaking skills (formal debates and caucusing);
- Quality of written works (Position Papers, Working Papers, Draft Resolutions, and/or Draft Directives);
- Other criteria may align with the sub-conferences' own policies.

The second type of award is the “Delegation Award.” “Best Delegations” and “Outstanding Delegations” are given based on the performance of the entire delegations both in and out of conference venues.

The Secretary-General and the Organizing Committee of WEMUN EXPO 2025 reserve all rights regarding the implementation and explanation of the award policies.

17. DELEGATE BASIC CODE OF CONDUCT

Upholding the educational purpose of Model United Nations, WEMUN EXPO 2025 has a zero-tolerance policy on personal attacks of any form. All participants at the conference should be individuals first, and then take on other roles. Participants should put mutual respect above all other principles at the conference.

18. OTHER RULES

These rules are in addition to those laws and ordinances established by the People's Republic of China, participating schools' policies, and common sense. Serious infractions will result in the dismissal of individuals and/or delegations/schools involved from the conference.

19. ADDITIONAL RULES AND POLICIES

The Secretary-General and the Organizing Committee reserve the right to issue additional rules or modify existing rules and regulations at any time, as they deem necessary.

20. INTERPRETATION OF RULES

The authoritative determinations of fact and interpretations of conference rules and policies are those of the Secretary-General and the Organizing Committee.

awards criteria

This guide is designed to evaluate delegates' performance during committee sessions throughout WEMUN EXPO, encompassing both English and Chinese committees. It is least advised that any delegations, delegates, or faculty advisors see certain awards as "the ultimate achievement" of attending conferences. WEMUN EXPO would be yearning to see delegates put their efforts into joining hands with other delegates and pushing forward committee progress. Delegates who are recognized by the entire Dais to have made unsurpassed contributions to the conference shall be presented with corresponding awards.

It is our sincere hope that delegates collaborate to achieve final success as a bloc, which is valued much higher than personal accomplishments and also aligns with the aims and spirit of the United Nations, as well as Model United Nations conferences. Additionally, we would strongly emphasize the importance of delegates' views on subjects under discussion, taking national positions and interests into consideration, and making sacrifices, even in alliances with other countries, to firmly defend their national interests.

It's not demanded that delegates be comprehensively competent in all aspects of skills before joining conferences. WEMUN EXPO is more willing to see delegates' proficiency in all-round abilities improve as committee sessions continue. Delegates who consistently put forth efforts to meet these criteria will be awarded the highest honors in the committees. The minimum expectations for all delegates throughout the conference are listed below.

1. Delegates must treat Dais members, conference staff, faculty advisors, and volunteers with respect.
2. Delegates are expected to remain honest. A zero-tolerance policy is applied to any plagiarism throughout the conference.
3. All delegates should conduct thorough and sufficient research on the subjects under discussion beforehand, based on the background guide provided by the committee director, and have a firm grasp of their national position and interests. During committee sessions, the Dais will pay close attention to delegates' awareness and ability to stay informed about national policy.
4. Delegates are expected to participate in each committee session to the best of their abilities, actively promote the conference process, and make every effort to contribute to the overall progress of the committee.

- CRITERIA OF EVALUATION -

1. Diplomacy and Collaboration

- Delegates are expected to work with one another, and all delegates are included in the work of the committee;
- Disrespectful or bullying words and behaviors are strictly forbidden;
- Delegates should make efforts to be as inclusive as possible while remaining in accordance with national grounds and standpoints;
- Proper and necessary compromise is highly encouraged, and delegates who strive to maintain the smooth functioning of the committee will be looked favorably upon.

2. Involvement and Participation in Committee

- Delegates are expected to take note of the committee process at all times, not just paying attention to their speeches or negotiations;
- Delegates should have a clear understanding of the other working blocs and working papers in the committee room and should be able to identify both similarities and differences in the work of their own bloc and that of the other blocs;
- Outstanding delegates should be able to make appropriate motions, vote on procedural matters, and make substantial contributions to the committee. Repetitive or annoying motions, however, will be interrupted by the Dais.

awards criteria

3. Preparation and Policy Awareness

- Delegates, bearing in mind that the background guide is only a resource for preparation, not the end of it, should do research beyond the topic guide, have an accurate grasp of their country's foreign policy, and apply this political awareness to their work in the committee. Delegates who act against their national interests will not be viewed favorably upon;
- Making necessary and reasonable responses and comments to the clauses listed in draft resolutions is more valuable and meaningful than simply having your country's name on a resolution.

4. Etiquette and Professionalism

- Delegates are expected to adhere to the official dress code of Western Business Attire throughout the entire conference. Dais members have the right to politely ask delegates deemed to be dressing inappropriately to leave the committee rooms and change their clothes;
- Delegates should demonstrate proper manners at all times during WEMUN EXPO.

5. Language and Presentation

- Delegates must use the working language in all committee sessions without any exceptions;
- Delegates are expected to express their thoughts clearly and accurately using working language;
- The quality of presentation, both formal and informal debate included, will be measured during committee sessions;
- Speeches will be evaluated for content over the proficiency of the working language itself. Delegates should always try to present substantive opinions that add to the quality of committee discussion;
- The honor of "Best Delegate" or "Best Delegation" will be separately awarded to native-speaking delegates and non-native-speaking delegates.

- AWARDS CATEGORIES -
