April 4th - 6th, 2026
at Shanghai High School International Division

GREETINGS FROM THE SCHOOL PRINCIPAL

Distinguished Guests, Delegates, Faculty Advisors, and Volunteers,

It is a great honor to welcome you to OGMUN - SHSID Model United Nations Conference 2026. This marks the fifth time OGMUN has come to our campus, and thanks to your unwavering support, we once again have the privilege of hosting this remarkable gathering. On behalf of Shanghai High School International Division, I extend my warmest welcome and deepest gratitude to each of you who has traveled here to participate.

Model UN has evolved into a vibrant platform for fostering global citizenship among young people. It offers you the chance to engage in diplomatic dialogue and collaborative problem-solving, equipping you with essential international perspectives. I am proud to see our delegates analyze complex global issues through interdisciplinary approaches, propose research-based solutions, and demonstrate the intellectual flexibility to turn ideas into real impact.

In this era of rapid technological advancement, we recognize the transformative role of artificial intelligence in shaping how we learn, research, and collaborate. We encourage all delegates to harness AI tools responsibly and ethically—as instruments to deepen research, broaden perspectives, and enhance analytical capabilities. Yet we urge you to remember that the heart of diplomacy lies in genuine human connection: empathy, ethical judgment, creative synthesis, and the ability to navigate nuance. Let AI amplify your intellect, but never allow it to replace the uniquely human qualities that define effective leadership and meaningful dialogue.

As we embark on this journey together, I look forward to witnessing not only insightful debates and inspiring speeches but also the demonstration of adaptability, cross-cultural competence, digital literacy, and collaborative spirit. Your enthusiasm, intellectual curiosity, and engagement will elevate this conference to new heights of academic excellence. Let us come together to foster meaningful dialogue, forge lasting connections across borders, and collectively shape a more equitable and sustainable future.

Thank you.

Mr. Ma Feng
High School Principal
Shanghai High School International Division

WELCOME LETTER FROM OGMUN

Dear delegates, faculty advisors and friends in the MUN community,

It is our great honour to welcome you to OGMUN - SHSID Model United Nations Conference 2026, being held on the 4th-6th of April 2026 in Shanghai High School International Division. This event is one of the highlights of our year, and we cannot wait to welcome you to the conference.

Last year, we had a wonderful time in Shanghai, and we are looking forward to another edition of this event. It is a pleasure to be joined by bright and motivated future leaders every year.

In 2026, we are excited to be returning to Shanghai to deliver another OGMUN conference. Our committees range from General Assemblies to specialised agencies and regional bodies. Our goal is to allow delegates of varying skill levels to challenge themselves and have an enriching MUN experience.

Our conference follows three central tenets: it is technology-free, academically focused and collaborative. First, delegates will not be able to use electronic devices outside of unmoderated caucuses, which allows them to be present and practice public speaking. Second, we value research-based solutions that reflect both past initiatives and delegates' own ideas. Finally, we emphasise multilateral initiatives and an environment focused on collective growth.

As always, our chairs will be well-versed in their committee topics and prepared to support delegates throughout the event. Alongside the secretariat hailing from Oxford, UK, delegates will be supported by the fantastic student secretariat team of Shanghai High School International Division. Together, we are looking forward to hosting another unforgettable event.

We are very much looking forward to meeting you all in Shanghai!

All best wishes,

Charlotte Allen
Secretary-General
OGMUN - SHSID Model United Nations Conference 2026

WELCOME REMARKS FROM THE STUDENT SECRETARY-GENERAL

Dear Directors, Advisors, and Esteemed Delegates,

It is my greatest pleasure and honor to welcome you to OGMUN-SHSID Model United Nations 2026 in Shanghai. Along with the Secretariat team from the International Affairs Association (IAA), our school's MUN club, we hope to provide you with hospitality and an experience that will continue to inspire you in your future endeavors.

Over the course of three days, you will tackle the world's most pressing issues as future leaders. From navigating climate disasters to confronting geopolitical tensions in unstable regions, you will engage in meaningful discourse and diplomacy to craft innovative solutions that transcend boundaries. Delegates, negotiate not for the sole purpose of advancing your country's interests but for understanding, to bridge divides, to build consensus, and to reach compromises. The issues before you cannot be solved by one country alone, so take this opportunity to foster a community of commitment for the betterment of all people.

As our world enters a new era of uncertainty, what matters are your voices. It is your voices, your ideas, and your actions that spark change and create impact. I encourage you to grasp every opportunity through this conference because your perspective is a crucial piece of the puzzle in solving the intricate challenges before us. In this process, you will harness leadership, problem-solving, and public speaking skills that will serve you far beyond this conference. I hope you form long-lasting friendships and walk away with fruitful memories that are worth reminiscing about. Let us approach this diplomatic encounter with open hearts filled with curiosity, with the willingness to listen, and with a passion to initiate progress.

Lastly, I would like to take a moment to thank you for joining us on this journey. If you have any concerns, do not hesitate to reach out and approach me, the Secretariat, or our SHSID staff. We are more than pleased to make your experience here as enriching and enjoyable as possible. It is with immense joy that I have the privilege to witness the ideas that guide and illuminate the path of uncertainty ahead.

Best Regards,

Joyce Elizabeth Pun Yan Chow
Shanghai High School International Division

16. AWARD

OGMUN - SHSID Model United Nations Conference 2026 values the learning experience of a Model United Nations conference above all else. OGMUN - SHSID Model United Nations Conference 2026 prefers not to stress awards during conference, as we feel that participation and success should not be regarded in terms of who wins the most awards. With that being said, we do issue two types of awards at OGMUN - SHSID Model United Nations Conference 2026. The first type of award are the “Delegate Awards.”

Best Delegate

- The honor of Best Delegate is awarded to the most remarkable delegate in each committee and is the highest honor of all individual awards.
- If two delegates represent a country in the committee as a delegation, the honor of “Best Delegate” will be awarded to both delegates simultaneously.

Outstanding Delegate

- The honor of Outstanding Delegate is second only to the Best Delegate.
- No more than 5% of committee member states can be presented with this honor.

CONFERENCE POLICY

- If two delegates represent a country in the committee as a delegation, the honor of “Outstanding Delegate” will be awarded to both delegates simultaneously.

Honorable Mention

- The award of Honorable Mention is next to the honor of Outstanding Delegate.
- No more than 10% of committee member states can be presented with this honor.
- If two delegates represent a country in the committee as a delegation, the award of “Honorable Mention” will be presented to both delegates simultaneously.

Best Position Paper

- Best Position Paper is awarded to delegates who offer a comprehensive and well-written position paper that reflects the national position correctly and concurs with the delegate’s performance during committee sessions.
- The Dais of each committee has the right to determine the number of delegates to be awarded with this honor based on actual circumstances.
- If two delegates represent a country in the committee as a delegation, the honor of “Best Position Paper” will be awarded to both delegates simultaneously.

Delegates will be judged by the Committee Directors, in conjunction with the Secretariat where necessary, against the following criteria:

- Knowledge of the topic(s);
- Understanding of current affairs and international relations;
- Quality of public speaking;
- Diplomacy and ability to compromise;
- Contribution to resolution writing; notate bene the Best Delegate does not necessarily have to pass a resolution.

The Committee Directors’ decisions on awards are final and not subject to appeal. Should any delegate wish to question the awards, the faculty advisors must approach either the Secretary-General or the Director-General.

The second type of award are the “Delegation Awards.” There will be three sets of Delegation Awards, one of which will be awarded to small delegations, one to medium delegations and one to large delegation on the basis of overall performance and delegation size. OGMUN - SHSID Model United Nations Conference 2026 Staff and Secretariat reserve the right of confidentiality in regards to its awards policy.

17. OTHER RULES

These rules are in addition to those laws and ordinances established by the People's Republic of China, participating schools' policies, and common sense. Serious infractions will result in dismissal from the conference of individuals and/or delegations/schools involved.

18. ADDITIONAL RULES AND POLICIES

The Secretariat reserves the right to issue additional rules or to alter existing rules at any time at their discretion.

19. INTERPRETATION OF RULES

The authoritative determinations of fact and interpretations of conference rules and policies are those of the Secretariat.

CONFERENCE POLICY

20. REMEDIES AND MEASURES

In the event of any violations of the aforementioned conference policy and academic norms, delegates or faculty advisors may report the matter to the organizing committee staff or the Dais Chair. Except in cases where evidence of misconduct is clear, the complainant bears the burden of proof. Complainants must not fabricate, exaggerate, or rely on subjective assumptions. Upon verification of the specific circumstances, the organizing committee or Dais will hold the individuals accountable, with potential measures including, but not limited to:

- The offending party offering a personal apology to the affected individual(s).
- The offending party making a public apology.
- The organizing committee issuing an oral or written warning to the offending party.
- The organizing committee disqualifying the offending party (and/or their delegation) from award eligibility.
- The organizing committee revoking the offending party's eligibility to participate in the conference.

Additionally, given that all delegates are minors, any confirmed misconduct will be promptly reported to their Faculty Advisor (if applicable), their school or organization, and their guardians.
