# WELCOME LETTER FROM THE SCHOOL PRINCIPAL

Distinguished Guests, Delegates, Advisors and Volunteers,

It is with profound honor that I extend a warm welcome to all distinguished participants and guests attending Yale Model United Nations China 2026. We are most pleased to gather with our friends from across the globe at the foot of Wutong Mountain and along the shores of Yantian Port for this prestigious event. On behalf of Shenzhen Foreign Languages School, I offer our most sincere greetings and deepest appreciation to everyone who has journeyed to participate in this conference.

The Model United Nations forum undoubtedly provides young people with an invaluable platform to expand their international perspectives, develop comprehensive personal competencies, and engage in meaningful cross-cultural exchange. In MUN conferences, we take pride in witnessing young scholars from diverse backgrounds collaborating to address critical global issues. Through rigorous research, strategic cooperation, and substantive discourse, participants formulate innovative, concrete, and constructive solutions, contributing their intellectual capital to global governance and collectively advancing the vision of a community with shared future for mankind.

Guided by our educational philosophy of "Green Education, Great School," Shenzhen Foreign Languages School remains firmly committed to moral cultivation and holistic development, encouraging students to pursue both academic excellence and multifaceted personal growth.

Since its establishment in 2006, the Shenzhen Foreign Languages School Model United Nations Association (SURMUM) has been dedicated to providing platforms for youth to showcase their talents, cultivate critical thinking skills, and deepen their understanding of international civic responsibility—thus empowering them to realize their full potential. With this noble objective, we are honored to host Yale Model United Nations China 2026. Our carefully selected organizing team will devote their utmost dedication and thorough preparation to ensure a memorable and enriching experience for all delegates through comprehensive agenda planning, detailed material preparation, and efficient logistical coordination.

As May Sea breeze ushers in the commencement of this intellectually stimulating journey, I eagerly anticipate the delegates' insightful contributions, inspiring speeches and fruitful intellectual exchanges in the forthcoming sessions. Your boundless enthusiasm and whole-hearted engagement will undoubtedly elevate this conference to unprecedented heights. Let's assemble here to inspire minds through dialogue, consolidate wisdom through collaboration, and embark with confidence and vigor toward our collective aspiration of crafting a more equitable and sustainable world.

May this conference achieve remarkable success and provide each participant with enduring memories to cherish.

Thank you.

Mr. Fan Yongquan

# WELCOME LETTER FROM SECRETARY-GENERAL

Dear Esteemed Delegates, Advisors, and Parents,

Welcome to Yale Model United Nations China Conference 2026! My name is Bryant Pranboonpluk, I'm currently a sophomore studying Political Science and Psychology at Yale University. I have the great pleasure of serving as your Secretary General for the 2026 iteration of YMUN China. We are excited to once again return to China to host the conference on May 15th-17th, 2026 in Shenzhen, China.

I'm so honored to be working alongside a team of 12 incredible and distinguished Yale undergraduate students to build an experience that transcends the traditional offerings of a Model UN Conference. This year, YMUN China 2026 will be guided by the mission of Shaping Global Voices, which provides delegates the space and opportunity to collaborate and learn from each other. YMUN China 2026 will be focused on the development and enhancement of a delegate's global perspective while simultaneously helping delegates build connections with all aspects of the conference.

At the heart of this conference is a mission to bring together delegates, advisors, and directors from around the world to connect and bridge the gaps between each other. In committee sessions delegates will have the opportunity to engage in a wide array of committee topics that cover a broad range of interests. Whether they are drawn to international relations, intrigued by medical and technological advancements, or passionate about protecting the environment, there is a committee for every type of delegate. Within these sessions delegates will have to step out of their comfort zone and push their own boundaries which will help develop their own collaboration and public speaking skills. Our focus on inclusivity regardless of experience level will ensure that delegates are able to make the most of the unique environment and opportunities that are presented to them. Beyond our in-committee offerings, our delegate events, workshops, and the Life at Yale panel will bring an added layer to the YMUN experience providing everyone in attendance with the experience of a lifetime. We're also excited to introduce engaging Director Office Hours sessions prior to the conference and Delegate Trainings integrated into our Conference Schedule, which all aimed at bringing a transformational experience to our delegates.

It is our pleasure to once again collaborate with WELAND International to bring this conference to life. We hope to see you at Yale Model United Nations China in Shenzhen this May, and invite you to stay in touch with us on our website <https://www.ymunchina.org/>, via email at [secgen@ymunchina.org](mailto:secgen@ymunchina.org), or find us on our instagram [@ymunchina](https://www.instagram.com/ymunchina).

## 16. AWARD

Yale Model United Nations China 2026 values the learning experience of a Model United Nations conference above all else. Yale Model United Nations China 2026 prefers not to stress awards during conference, as we feel that participation and success should not be regarded in terms of who wins the most awards. With that being said, we do issue three types of awards at Yale Model United Nations China 2026. The first type of award are the "Delegate Awards."

# CONFERENCE POLICY

- For Committees of fewer than 30 delegates, there will be: 1 Best Delegate Award (1st Place); 1 Outstanding Delegate Award (2nd Place); 2 Honorable Mentions (3rd Place); 1 Best Position Paper Award.
- For Committees of between 30 and 70 delegates, there will be: 1 Best Delegate Award (1st Place); 2-3 Outstanding Delegate Awards (2nd Place); 3-4 Honorable Mentions (3rd Place); 1 Best Position Paper Award.
- For Committees of over 70 delegates, there will be: 1 Best Delegate Award (1st Place); 3-4 Outstanding Delegate Awards (2nd Place); 4-6 Honorable Mentions (3rd Place); 1 Best Position Paper Award.

The second type of award are the “Committee Awards”, which will be announced internally within each committee prior to the final session (and not during the Closing Ceremony) and will be up to the director to choose the quantity of them available.

- For Committees of fewer than 30 delegates, there will be: 1 Most Improved Award; 1 Best Engagement Award; 1 Best Teamwork Award.
- For Committees of between 30 and 70 delegates, there will be: 1-2 Most Improved Awards; 1-2 Best Engagement Awards; 1-2 Best Teamwork Awards.
- For Committees of over 70 delegates, there will be: 1-3 Most Improved Awards; 1-3 Best Engagement Awards; 1-3 Best Teamwork Awards.

Delegates will be judged by the Committee Directors, in conjunction with the Secretariat where necessary, against the following criteria:

- Knowledge of the topic(s);
- Understanding of current affairs and international relations;
- Quality of public speaking;
- Diplomacy and ability to compromise;
- Contribution to resolution writing.

The Committee Directors’ decisions on awards are final and not subject to appeal. Should any delegate wish to question the awards, the faculty advisors must approach either the Secretary-General or the Director-General.

The third type of award are the “Delegation Awards.” There will be three sets of Delegation Awards, Best Delegation, Outstanding Delegation and Best Organization, which will be awarded to delegation on the basis of overall performance and delegation size. Yale Model United Nations China 2026 Staff and Secretariat reserve the right of confidentiality in regards to its awards policy.

## 17. OTHER RULES

These rules are in addition to those laws and ordinances established by the People's Republic of China, participating schools' policies, and common sense. Serious infractions will result in dismissal from the conference of individuals and/or delegations/schools involved.

## 18. ADDITIONAL RULES AND POLICIES

The Secretariat reserves the right to issue additional rules or to alter existing rules at any time at their discretion.

## 19. INTERPRETATION OF RULES

The authoritative determinations of fact and interpretations of conference rules and policies are those of the Secretariat.

# CONFERENCE POLICY

## 20. REMEDIES AND MEASURES

In the event of any violations of the aforementioned conference policy and academic norms, delegates or faculty advisors may report the matter to the organizing committee staff or the Dais Chair. Except in cases where evidence of misconduct is clear, the complainant bears the burden of proof. Complainants must not fabricate, exaggerate, or rely on subjective assumptions. Upon verification of the specific circumstances, the organizing committee or Dais will hold the individuals accountable, with potential measures including, but not limited to:

- The offending party making a public apology.
- The organizing committee issuing an oral or written warning to the offending party.
- The organizing committee disqualifying the offending party (and/or their delegation) from award eligibility.
